V) Directors Report
- Old Business
  1) Elevator/Space- Bernard called Julie asking where we stand with elevator. Bernard heard that libraries will be getting a stimulus which equvalates to about $2000 for each library. That is not enough for an elevator. Since we are starting to slowly bring back programming the program of accessibility still exists. Should we look for another place?
  2) Anthony mentioned that the Church across the street recently had to close their daycare and has space available. He will ask the pastor if the library can use.
Julie will also look into hiring a grant writer to look into getting us funding for an elevator.

In the meantime, we can possibly look into building a ramp on the side of the building to gain access to the downstairs.
